ADDITIONAL DOCUMENTATION

Radio Equipment Directive technical file by Harman International Industries, Inc.

ADDITIONAL INFORMATION

None.

MARKING OF PRODUCT

Radio equipment shall bear a type, batch or serial number or other element allowing its identification as well as the name, registered trade name or registered trademark of the manufacturer and the postal address at which they can be contacted. If the manufacturer is not located in the EU, the radio equipment shall also bear the name, registered trade name, or registered trademark of the importer and the postal address at which they can be contacted. Where the size or nature of radio equipment does not allow the required marking, then it may be placed on its packaging, or in a document accompanying the radio equipment. The CE marking shall be affixed visibly, legibly, and indelibly to the radio equipment or to its data plate, unless that is not possible or not warranted on account of the nature of radio equipment. The CE marking shall also be affixed visibly and legibly to the packaging.
